

A summer learning experience open to all students in the Environmental related fields who have completed 2 years of college.

WHO ARE WE?

Environmental Services, Inc. (ESI) was founded by Rhodes Robinson in 1986. As the firm approaches its twentieth anniversary Mr. Robinson's original goals still apply: "provide quality, responsive service to our clients and create an environment where people enjoy their work."

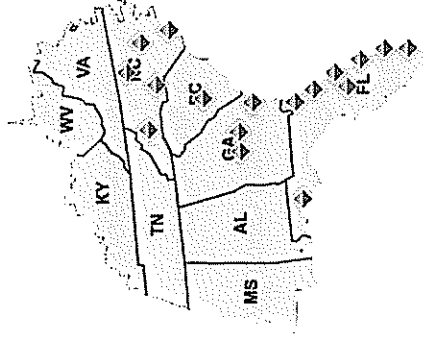

WHAT ELSE SHOULD I KNOW?

ESI has over 200 employees in 18 offices throughout the southeast. We provide environmental, archeological, due diligence and remedial services. Many of our professionals hold advanced degrees in ecology, archaeology, wetlands science, marine biology, hydrogeology and environmental science, enabling ESI to offer a full compliment of environmental and cultural resources services.
